1-Day \$25 “ARTIST SPECIAL” Acting Intensive Workshop

with

Maurice Moore

SATURDAY, APRIL 6TH

2PM-7PM

(12 Actors Maximum)

This one (1) day only “Artist Special” intensive workshop is our way to show appreciation to the dedicated actors who work tirelessly to build their skillset and master their craft.

For beginner and veteran actors alike, Maurice will work one-on-one teaching his “*5 Elements to Truth*” technique, as he helps each artist understand how to make stronger, more defined character choices.

With the use of Monologues, Film Scenes and Improvisation exercises artists will be pushed to open up their imagination, explore their creativity, express their passion and become grounded in each moment, which will allow for honest and interesting performances in front of the camera.

Artists will work from...

A MONOLOGUE (each artist will bring a learned Monologue, NO MORE than 2 mins)

And...

SCENE WORK (BAS will provide a short scene and pair artists on the day of workshop)

Through the MONOLOGUE, artists will learn to own each moment physically & emotionally, work to explore each “Moment-within-the-Moment” to find their unique VOICE, so the truth can be heard.

Through SCENE WORK, the vital element of “chemistry” will be the focal point. Artists will do a variety of exercises to explore the give-and-take relationship and the importance of “selflessness” in a scene.

All performances will be TAPED and each actor will be sent a link of their performance to review after the workshop.
